

English & Dog School

Bei einer geliebten Tätigkeit, lernt man eine Sprache besser, dies bestätigen nicht nur Forscher, sondern beweisen die unzähligen Auslandsaufenthalte. Englisch lernen in der Praxis und das mit Hund!

Wo gibt es den so etwas? ...mit dem Hund ab in die Hundeschule und Englisch sprechen! Natürlich auch für Hundehalter die nur Englisch sprechen! ...**ab 1.Juni 2018 - Jeden Freitag 18.00 Uhr**

The group is an exclusively English speaking dog training group for native speakers or people looking to improve their English in a fun and easy way. This gives people struggling with the German groups the opportunity to efficiently train their dogs and lets non-native speakers practice their speaking and understanding of the language.

What can you expect from the group?

You and your dog will be trained in a variety of dog training areas. The training for the dogs ranges from basic obedience exercises to lunging and nose work, while the owners will get to learn an assortment of tasks which will help them grow their dog training vocabulary. All in all, this group is learning by doing oriented, however, there will also be a lot of fun involved. **The lessons take place every friday evenings at 6 pm. The group starts june first.**
